My dear Aunt - Have been
wondering why you never write
I am always glad to
hear from you. Was sorry
I could not come M. but we
were so busy. I have been
wanting to come down ever since.
Suppose you heard about the R. R.
accident. Well Mrs. Leaman is here
and doing as well as can be expected.
but her daughter and grand-daughter were
killed. I had planned to come down last

I could see you.
